Welcome To Our Services Today As We Worship God Together!

Bro. Gary would like to visit you in your home to get to know you. Tuesday afternoons and evenings are being reserved for your convenience. Please contact our church secretary, Cheryl, by phone or email to make a reservation. Note: the first Tuesday evening of the month will be unavailable due to Deacons meetings.

Thank you to all who have submitted updates for the Breeze online directory. If you have not already done so, there are forms and information in the office near the yellow collection basket.

The PBA has announced that the Men's Retreat that was scheduled for next weekend has been postponed and refunds will be sent to those who have already registered. It will be rescheduled at a later date.

SafeNights starts **tonight!** To volunteer, see Courtney Harbin **today.**

Because of health concerns, the ladies will not have their visitation ministry this week. But feel free to make phone calls to the homebound to let them know you're thinking of them.

The observance of the Lord's Supper and the Fifth Sunday fellowship are also cancelled for this month due to health concerns. The morning services will **not** combine that day.

MISSIONARY HIGHLIGHT

Today in our prayer time, we're going to pray for one of our missionaries who serves in New York City.

His name is Jeremiah Brinkman and his ministry is telling new immigrants about Jesus. New York has many immigrants, who have come literally from all over the world.

Most have the same problems - they usually have little money and have to figure out how to make a living and support their families. They may speak little or no English, so life for immigrants is often hard.

That's where Jeremiah's ministry begins. He welcomes them and provides meals, helps them learn their way around the city.

He first tries to be a friend. Then, later, he is able to tell the newcomers about the love of Jesus and how they can follow Him.

Jeremiah is helping plant new churches all across New York City, because thousands of new, Bible-believing churches are needed there. Our church supports Jeremiah and his ministry through our Cooperative Program giving.

Remember that many immigrants who come to New York City are from countries where churches are forbidden. Now that they CAN hear the gospel, we must make sure they DO hear!
