

Using Zoom for Church

What is Zoom?

Zoom is an online based meeting software that allows people to see and hear each other live in real time

What equipment do I need to use Zoom?

You need a device that is able to connect to the internet at a high speed, and has a microphone and camera. Some good options are:

- Smart phone
- Tablet or iPad
- Kindle Fire
- Laptop or Desktop computer

Do I need to sign up for anything?

No. You do not have to provide any personal information to attend a Zoom meeting

Do I have to download anything?

Yes. You will need either the Zoom App, or a small utility on your computer (all free)

- For Androids: Go to Google Play Store > search Zoom > Download Zoom App
- For iPads/iPhones: Go to Apple Store > search Zoom > Download Zoom App
- For Kindles: Go to Amazon App Store > search Zoom > Download Zoom App
- For Desktops/Laptops: When you click the meeting link, the utility will load. Be sure to give it permission by clicking "Yes"

How do I join a meeting?

- The host of the meeting will send you a link, usually in email. Click on the link
- Grant permission to open the App, or run the utility
- You will be automatically in Zoom
- Remember that your camera will turn on, and so will your microphone!
