JULY 2020

July means Independence Day, and Independence Day means we will notice more prominent displays of our national flag. We know there is much symbolism in our flag: thirteen stripes representing the original thirteen colonies, one star for each state, and a blue union symbolizing one country. But what about the colors: red, white, and blue? Is there significance to these? It may surprise you to learn that there is no official statement on the colors. The color scheme was probably chosen because of our mother country, Great Britain: these were her colors, all of our founding fathers served under or were exposed to those colors, we are indisputably connected to her, so the colors stuck.

Congress adopted the Great Seal of the United States five years after adopting the flag, and the colors of the great seal are defined as red for hardiness and valor; white for purity and innocence; and blue for vigilance, perseverance, and justice. President Reagan in proclaiming 1986 as the Year of the Flag, defined the colors as, "Red for courage and readiness to sacrifice; white for pure intentions and high ideals; and blue for vigilance and justice. Here is my simpler explanation: the colors are a reminder; blood red reminds us of the cost of freedom; pure white reminds us of our founding innocence; and heavenly blue reminds us of our godly heritage. We proudly display the American flag on our church plat-

form—even though we don't know exactly what it all means.

We also display another red, white, and blue flag on our platform whose symbolism and colors we do know. The Christian flag has a red cross representing the blood sacrifice of Jesus; a large white area representing peace, purity, and innocence, and a blue area representing heaven, our eternal home. Unlike our American republic, the Christian flag stands for a monarchy in which Jesus is King. Most of us were born as Americans, but to become a citizen of Jesus' kingdom, one must be born again.

Flags are only symbols, but our national flag in particular deserves our honor and respect. No other nation in the history of the world has done more to promote the gospel of Jesus Christ and improve the overall condition of mankind. The United States Constitution states that it was written and adopted "to form a more perfect union." The United States is not, never was, nor ever will be perfect; however, the perfect Judaeo-Christian ideals upon which we were founded can continue to guide us toward the perfection we all hope to achieve.

In the end, The United States and her flag will perish along with the rest of the nations and flags of the world. Even the land masses that comprise the different nations will be eliminated. Revelation 21:1-2 informs us that there will be a new

heaven, a new earth, a new Jerusalem, and a new people redeemed from all of the old nations from the old earth. We will live forever in the perfection that could only be imagined under our current dispensation. Until then, remember that Americans live in the greatest nation on the face of the earth, and America's flag is worthy of our honor and respect.

How will we use our freedom?

In 2000, Cornealious Anderson was sentenced to 13 years for robbery. The 23-year-old was released on bail and told to await orders to show up to prison. But due to a clerical error, those orders never came. Some people might have taken advantage of such freedom and committed more crimes. But Anderson started a business, coached youth football and volunteered at church, earning respect in his community.

Thirteen years later, when Missouri officials discovered the error and put Anderson behind bars, an online petition called for his release. A judge agreed that Anderson was a changed man and, again, he was freed.

VBS 2020
July 20-24
6:30 - 8:00

Due to the recent pandemic and current health concerns, we have had to make some major changes to this year's VBS. VBS is still on for the week of July 20 -24. We will have an outdoor modified VBS in the evenings from 6:30 – 8 p.m. and will save the Concrete & Cranes materials for next year.

Youth who have completed grades 6 through 12 are invited to attend on **Monday and Tuesday evenings**, with Bible Studies and outdoor games.

Children who have completed Kindergarten through 5th grade are invited to attend on **Wednesday, Thursday, and Friday** evenings, for Bible Studies, games, and crafts, with a theme of *Go and Tell Kids*. We regret that we will be unable to provide classes for preschool children for either the community or workers' children. All activities will be outside, and we will do our best to maintain social distancing.

Because we had to make major changes to our plans, we are now in critical need of volunteers who are willing to step up and fill VBS roles, some the same as always, and some new. Here are some positions that need to be filled immediately:

- Children's team leaders for all ages
- Children's recreation leaders
- Children's Bible study leaders
- Children's craft leaders (you don't have to prepare crafts; they will all be pre-packaged.)
- Opening Assembly leader (Wednesday – Friday)

- Bathroom monitor(s) (these are the only people who get to stay in the air-conditioned building!)
- Water bottle distributors (with masks and gloves!)
- Snack distributors (with masks and gloves – all snacks will be pre-packaged)
- Registration assistants – particularly on Monday and Wednesday evening
- Youth Bible study leaders
- Youth recreation leaders

Please contact Alison Bode right away if you can help one day or all 5. Her phone number is: **301-246-4957** and her email address is: **thebodes@verizon.net**.

Be part of this amazing opportunity to share the love of Christ with children and their families in our community. At a time when uncertainty prevails, we can provide hope!

prayers as they mourn her loss.

Also, Gary Bish lost his valiant battle against cancer on June 4, 2020. He was retired from the Teamster's Union, had served as a volunteer fireman for two stations, and had served faithfully for the past seven years as our Sunday School Director. He always greeted the children, asking how things were going with them. In fact, he treated everyone as if they were special to him. He was very handy and served on the Building & Grounds Committee for many years until 2019 when his health forced him to give up active participation. However, he still managed to stay involved by helping control the temperature in the sanctuary and fellowship hall remotely. Thank you for helping keep us comfortable! He also was co-coordinator/security monitor for our SafeNights week.

Please keep his mother, Bonita, his daughter Jennifer and the rest of the family in your prayers. Although we are all grieving his loss, we are rejoicing that he knew that he would soon be with his beloved Savior.

Sadly, on June 18th we also lost Arlo Bowie unexpectedly when he passed away at his home. He was retired after serving 36 years in the U.S. Air Force and he and Lucy loved to travel. Besides serving as a deacon at FBC La Plata and singing in the choir, he was founder and co-leader of a summer campground worship service at Goose Bay Marina.

Please keep Lucy, his wife of 62 years, their 3 children, 10 grandchildren, 22.5 great-grandchildren and 2 great-great grandchildren in your prayers. While they are mourning their loss, they are rejoicing that he is now in "the best place."

New Members

Please help us welcome **Pastor Schneider's family** to FBC La Plata. **Debbie and their exchange student Rapunzel** arrived on June 17th and are now officially part of our church family. Xaris will be here in early July after visiting friends.

We extend Christian condolences to the family of Alice Hanson, who Although she had been homebound for many years, she had previously served with her husband "Dickie" on the Baptism Committee and also helped prepare and serve meals on the Fellowship Committee.

She was a retired school bus driver, having served Charles County Public Schools for 38 years in that capacity.

When she was able, she enjoyed camping, needlepoint and spending time with her family, who will miss her while rejoicing that she is now in the arms of Jesus.

Please keep Dickie and the rest of the family in your

The “wow!” factor

After the final notes concluded at a recent symphony performance in Boston, the conductor hadn't yet lowered his baton when a child exclaimed, “Wow!” The break in protocol, magnified by excellent acoustics, didn't upset the participants or audience, however. Instead, several later said it brought them great joy. One even called the moment life-changing.

The incident was especially meaningful because the child, a 9-year-old named Ronan, has autism and is generally non-verbal. Music, his family says, tends to attract his interest and make him happy. When symphony officials learned Ronan's identity, they arranged a private performance so he could meet some musicians.

How often do you shout “Wow!” — in a good way — at what you see and hear? You may tend to do so on vacation or while observing God's natural wonders, but what about during your day-to-day life? Think about the people you encounter and their talents — and your own. When have these sparked a “Wow!” of thanks to God?

Every blessing, large or small, is a wow-moment — a gift from God that warrants our praise.
