

Welcome to Sunday School!

Our goal is to learn and study the Word of God and apply it to our lives to live in a Christ-like manner. This does not mean to just come to Sunday School or just attend Church Services. It means to live our lives as God has intended us to. The Bible says we have all fallen short of the glory of God (Romans 2:23), but this does not mean that God does not love us; the Bible also says that anyone who does not love does not love God, for God is love (1 John 4:8).

Life can be hectic, and if you find it challenging just to make it to the worship service at church, you might not be even be able to think about getting your children to Sunday school. However, it is great to have the support of a church family to grow and learn with.

When we attend Sunday School, we will find ourselves living our lives more for God than ourselves. It is God's Word that we need in our lives--especially at a young age. Our teachers can shape the lessons to meet the comprehension level and interest of any age; this helps us build the foundation that we need in our lives to help us grow and become better people and Christians.

If you are looking for a great church to get your family plugged into, look no further than First Baptist Church of La Plata. With open arms, we welcome anyone who wants to build a relationship with God.
